## SCORPION PAD JET

# 7.5 Fast Wireless Charging Pad with Internal Cooling Fan

### Wireless Charging Mode:

iPhone 8	iPhone X	Galaxy S9
2.8Hrs	3 Hrs	2.5Hrs

## Selling Point

### Fast Charging

Up to 7.5W High-speed Wireless Charging for iPhone XS, XS MAX, XR, X, iPhone 8 & iPhone 8 Plus  
And 10W Max High-speed Wireless Charging for compatible Smartphones

### Temperature Control Technology

Built-in cooling fan protect your smart phone from overheat by control your temperature  
To get better experience, we would like you to take off the phone case and use QC 3.0/2.0 AC adapter or 5V 2A adapter (Not Included adapter) and cables.

- ※ Intelligently identify temperature system ensures a safe charging temperature for your phone.  
The cooling fan doesn't work at temperatures below 20 °C and it should not keep you from sleeping if you charge at night.

### Safety Certified

Built-in over-voltage protection, over-current protection, surge protection, high temperature protection and short-circuit protection features, our wireless car charger provides a 100% safe for charging your phone

### Universal compatibility

Design for All Qi-enabled Smartphones  
※ **Note:** iPhone XS, XS MAX, XR iPhone X, iPhone 8 & iPhone 8 Plus with iOS 11.2 or above can be Fast charging up to 7.5W.  
**Note:** Recommend to connect USB wall adapter with Quick Charge 2.0/3.0 output to optimize the charging efficiency.  
**Note:** In order to achieve the speed of 7.5W it is suggested to use it under room temperature 25 °C

## Specifications

Product Name : Scorpion pad Jet  
Model No. : ADS009  
Input : 5V / 2.0A, 9V / 1.8A, 12V / 1.5A  
Wireless Charge : 10W / 7.5W / 5W

## Package Contents

- ADS009
- Manual / warranty
- USB-C cable
